Re: Customer Number association with Patent Application No. 10/790,375

Dear Ms. Kinard:

Another situation has come up where we need to access pair for the above-referenced patent application. The formal documents filed with the PTO all listed our customer 23363 but the customer number never got associated with our application. Please associate our customer number 23363 with application number 10/790,375.

Many many thanks for your assistance in this matter.

If you need any further information, please do not hesitate to contact me.

Very truly yours,

Marti Carrillo
